Guidance Notes

Barkers will match you to a customer who needs shopping and home delivery. We will give your contact details to the customer, and the customer contact details to you and some Barkers ID.

Please always have your Barkers ID when going to a customer home, or shopping on their behalf in the shop

You will then contact the customer to arrange whatever shopping they need, and come into the shop to do their shopping. This might be a daily newspaper, or a basket of shopping

A till receipt will be printed for you to give to the customer. If the customer is paying the shop by cash or cheque, you may need to come back to the shop after delivery that day, with the payment

(Barkers will not be able to set up and manage credit accounts for customers)

The shop co-ordinator of this scheme is Hilary Dangerfield 810704 and she will be in touch
